

## The *i<sup>2</sup> Pro* Pre-loaded Appliance

### Features:

- Ultra-compact size, pre-loaded with ***Doors.NET Professional Edition Access Control Software***
- 8GB DDR4 RAM and 500GB SATA-6Gb/s SSD
- Enough computing power, memory and storage to run Keri's entire suite of optional features
- No waiting for software to install or dealing with Windows® updates and other system issues
- Saves the installer time, money, and hassle
- Suitable for installations of 512 readers, and up to 1,000,000 credentials
- Eliminates errors and variability found in customer-provided or off-the-shelf PCs
- Turn it on and discover your controllers, then start programming immediately
- Small, quiet, IT-friendly/ready package with 7th generation Intel processor
- Comes with keyboard and mouse
- Comes with Keri's software support and maintenance, included at no charge for the first two years

The *i<sup>2</sup> Pro* Appliance greatly simplifies installation because ***Keri's Doors.NET Professional Edition Software*** is pre-loaded and pre-licensed, ready to use immediately. This is an embedded mini appliance with keyboard and mouse that has the capability to manage an access control system of up to more than 512 readers and 1,000,000 credentials. This unit has 8GB DDR4 RAM and 500GB SATA-6Gb/s SSD.

Installers will appreciate the time and hassle it saves, because it virtually eliminates Windows® problems and other system issues commonly found when using a PC provided by the customer, or purchased from a retailer.

Simply choose your hardware type and start configuring the system.

The *i<sup>2</sup> Pro* Appliance (in addition to Keri's Doors.NET Professional Edition Software) comes pre-loaded with:

- Doors.NET Application Server
- Microsoft \*SQL Express® Database

Selectable gateways allow the appliances to connect to any Keri controller type:

- NXT
- Mercury® Powered NXT
- PXL-500
- Entraguard

### **NOTE:**

**There are other appliance versions available. Ask us for help deciding which mini-appliance best fulfills your needs**
